

# MODULE 1

## Learning Outcomes

By the end of Module 1, you will be able to:

- Describe the purpose of this workshop
- Explain how the workshop will be structured and delivered
- Map out your own schedule for completing the workshop

Begin with a self-assessment and course syllabus

Make your faculty introduction and biography video

Explore the Moodle learning management system and become familiar with Flipgrid

## Workshop Welcome

The Workshop Welcome is an overview of the course. Here you will learn about the course structure and delivery and can download the workshop syllabus and pacing guide. You will also have the opportunity to create an instructor bio video.
